CNC MACHINE OPERATOR/ MACHINIST

Employment Type

Full-time

Description

Looking for more than a job? Flinchbaugh Engineering offers a unique opportunity for the best of the best to excel and build a stable financial future for themselves and their families.

Date posted

September 9, 2026

We are a 100% employee owned manufacturing business with an immediate need for skilled CNC machine operators to support our successful and growing company.

We offer:

- The opportunity to be an owner
- Great benefits
- Lucrative compensation
- Multiple shift options
- Overtime potential
- Training and development so that you can continue to grow

Still not convinced?

For a limited time we will offer sign-on bonuses for candidates with demonstrated proficiency running CNC machining centers and lathes.

What do you have to lose? This may be the opportunity you have been waiting for.

If you're a performance/quality driven team player seeking an opportunity to develop a lasting career while receiving a competitive wage and benefits, we invite you to respond immediately by clicking the 'Apply Now' button.
